

STEWARD DECISION Nr 3

**From:** The Stewards  
**To:** Competitor of car Nr 33, Psaltis Eneos Rally Team

**Document:** 2.5  
**Date:** June 16<sup>th</sup> 2018  
**Publication Time:** 22:10

The Stewards, upon receiving from the CoC a report (Report nr 2 on car nr 33, accompanied by a marshal report) and subsequently having summoned and heard by phone the driver Stavros Antoniou (summon Nr 3), have considered the following matter and after due deliberation, determine the following:

**Driver and car nr:** ANTONIOU, Stavros car nr 33

**Competitor:** Psaltis Eneos Rally Team

**Time (fact):** June 16<sup>th</sup> 2018 – PF zone between TC3 and SS3 start

**Fact:** Adding of liquid in the radiator.

**Offence:** Breach of article 2.12 of 2018 FIA RRSR

**Decision:** According to Article 12.3 of ISC, the Stewards decide to penalize the competitor with a penalty of **15 minutes**.

**Reason:** According to item 2.12 of 2018 FIA RRSR any repair is forbidden in a Parc Ferme zone. The portion of itinerary between the yellow panel placed before TC and the end of zone panel placed after SS start is considered as Parc Ferme area according to article 42.1 of 2018 FIA RRSR.

Due to an incident with car nr 23, SS3 was blocked for 47 minutes. When competitor nr 33 arrived, he was stopped due to this incident. He noticed smoke coming out from the engine area and asked the permission of the stage commander to open the bonnet and identify the source of his problem that was a leakage in the cooling system. He further added some liquid that was onboard the car to fill the radiator.

The Stewards, taking into account the fact that the car was blocked before the SS Start and the confusion caused by the permission of the stage commander, adjusted their decision accordingly.

The Competitor is reminded of his right of appeal and his right of review as stipulated in 2018 FIA International Sporting Code and in the 2018 FIA Judicial and Disciplinary Rules.

**Time of decision:** 22:00
