1. Competitors are reminded that the tyres must bear a **barcode** as per the relevant list published by the FIA. Furthermore competitors need to have the original **homologation document of the roll cage** in order to present it when required.
2. During the recce competitors must use the registered **recce vehicle**. Furthermore competitors are reminded that in the recce vehicle **ONLY** the crew is allowed. This applies for all stages, the Super Special Stage included.
3. Competitors are reminded that reconnaissance is not practice. The **maximum speed limit** of 80kph for the special stages and 50kph for the Super Special Stage must be strictly followed. An electronic tracking system will be used in order to monitor the speed in the stages.
4. Competitors are reminded that team personnel who will attend refuel zones must be wearing clothing which will provide adequate protection against fire.
5. Please find attached herewith instructions for installation and operation for the tracking system (Sporttraxx CommBox).
6. Please find attached the Competitors' Relations Office schedule.
